PMG consists of nearly 700 physicians who are members of the Providence Hospitals medical staff. This group originally formed for the purpose of managed care contracting and sharing resources for professional development. In 2011, the PMG along with other St. John Providence Health physician organizations, joined together to form The Physician Alliance. This partnership resulted in a more collegial partnership with Ascension Michigan as well as maximizing Pay for Performance income for our physicians.

A member of The Physician Alliance and associated benefits including:

Educational Seminars with CMEs

Physician Marketing

Discounted Services to Physicians

- The physician discount program offers a variety of products and services to meet many practice needs and save money

to Become a Member

- Physician must have hospital privileges at either Providence hospital before applying to join the PMG
- Request application by contacting Carrie Nolan at Carrie.Nolan@tpadocs.com
- Application and contracts will be emailed to applying physician
- When the application and contracts are returned to the PMG, the physician's request for PMG membership is taken to the PMG Credentials Committee and PMG Board for approval.
- If the physician's application for membership in the PMG is approved by the PMG Board, the physician becomes a member. PMG administrative staff then notifies St. John Providence Partners in Care to arrange for the physician's participation in the various health care plans.
